

OVERBLIK OVER GODKENDTE PENSELGLASURER,
UNDERGLASURER MV. TIL BRUG I KERAMIKVÆRKSTEDET
MANTZIUS

Regler for brug af egne penselglasurer.

Penselglasurer og underglasurer købes ikke længere af værkstedet. Dog må medlemmer gerne selv købe disse, men kun hvis disse fremgår i nedenstående oversigt, da disse er godkendt til brug i værkstedet. Hvis i finder en stentøjsglasur, som i ønsker at anskaffe, men som ikke fremgår på listen, skal i kontakte Mette, værkstedsansvarlig på mecha@rudersdal.dk

Listen vil løbende blive opdateret.

Dyppeglasurer bliver fortsat indkøbt af den værkstedsansvarlige og kan derfor ikke købes af de enkelte medlemmer til privatbrug.

Opbevaring af egne købte glasurer

Penselglasurerne/underglasurerne skal placeres i jeres egne kasser. Er der ikke plads? Så må de tages med frem og tilbage. Mange medlemmer betyder, at der hurtigt kan ophobe sig mange penselglasurer/underglasurer, så i bedes overholde reglerne herom for at der fortsat er plads til alle.

OVERSIGT OVER GODKENDTE GLASURER.
